

FREMONT ENERGY COMMITTEE
15 October 2007

ATTENDEES: Dawn Lewis - Ellis School
Peter Bolduc - Fremont Selectman
Gene Cordes - Fremont Selectman
Bob Larson - Committee member

The following items were discussed and will be the subject of on-going activities:

1. Building codes and land-use..Town ordinances should consider how tax code and building codes should be implemented as to the installation of alternative energy systems such as solar, wind, geo thermal etc.. Should be in agreement with state and federal guidelines.
2. Investigate tax impact on "green" consumer purchases.
3. Department of Education..Determine if there is state or federal recognition of energy efficiency programs at public schools.
4. Ellis School programs: recycling green initiative
5. Federal or private funding for school "green initiatives". Is it available?
6. Grants.. Determine if there are grants available for school or municipal "green" projects.

The next meeting will be held on Tuesday December 4, 2007 at 7:00 pm at the Town Hall.
